

Guitar Stompboxes

PREAMP/BOOSTER PB100

Universal Effects Pedal Floor Board with
Integrated Power Supply

- Ultra-compact and lightweight pedal board for transporting up to 12 effects pedals
- Generous 1.7 A power adapter included for powering more than 12 devices*—includes all cabling
- Ultra-rigid plastic design withstands even heavy impact
- High-quality components and exceptionally rugged construction ensure long life
- 3-Year Warranty Program*
- Conceived and designed by BEHRINGER Germany

Boost a solo, power up your piezo pickups, or send your tube amp into overdrive with the PREAMP BOOSTER PB100. The PB100 features adjustable Treble, Bass and Gain, so you can get just the right amount of punch, cut or overall volume to achieve your sonic strategy!

Take it to the Limit

No matter what kind of electric instrument you're playing, there are times when you need to push your sound to the next level. Nothing gets you there like the PREAMP BOOSTER PB100. Like a dose of sonic steroids, the PB100 can push a tube amp into a beautiful state of natural break-up, make piezo pickups sound punchy and powerful, or launch a righteous guitar solo through the stratosphere.

Integrated Power Supply

Easy to Use

With its dedicated Bass, Treble and Gain dials, the PB100 not only allows you play to louder, it also lets you add enhanced highs and lows to your sound. A super-bright LED tells you when it's activated, and the top-quality on/off switch maintains excellent signal integrity when operating in bypass mode. You can power the PB100 with either a 9 V battery or our PSU-SB DC power supply (not included).

Sound Value

For a mighty dose of musical muscle, reach for the ultra-affordable PREAMP BOOSTER PB100. With its adjustable Bass and Treble boost and cut, as well as a Gain control, you'll have all you need at your disposal to fine tune your tone. Find the PB100 at your local BEHRINGER dealer – or order online today.

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own MUSIC Group factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous 3-Year Warranty program.
